

Statement of Intent

I understand that Mount St. Mary's University programs in education are approved by the state of Maryland and lead to certification in Maryland. While the programs meet the requirements of most states, it is my responsibility to investigate and initiate certification in any other states. I understand that all programs require satisfactory performance in an intensive internship experience of 100 days. Furthermore, I know that certification programs sometimes change due to new state mandates and changes in state certification policy. I understand that it is my responsibility to seek information regarding program requirements.
