

Scholarship Statement: History

Mount St. Mary's University

Adopted December 1996; Reviewed 2008

The department defines **scholarship** as “speaking or writing to an audience of one’s peers outside Mount Saint Mary’s University or original, creative work intended for a broad public audience.” Scholarship includes: publication of academic books, journal articles, articles in anthologies, book reviews, presentations to academic conferences, editing of an anthology, as well as electronic articles or reviews.
