Meet Kelly Conroy

the beach during spring break this year - they hammered nails while building homes for people in need. One of many projects organized by the Mount's Office of Social Justice, the program was so popular it sold out in two hours. Find out why these Mount students loved spending their vacation mopping floors and swinging a hammer.

Support the Annual Fund!
Kelly Conroy thought she would have to choose between playing tennis on a Division I team, or grow in her faith as a Catholic when she went to college. At the Mount she's able to do both. Watch Kelly's video to learn how she grew as a person both on and off the court, thanks to opportunities created by donations to the Mount's Annual Fund. Please support the Mount and our students today!
