About the Program

Location

The Mount Academy takes place on the beautiful campus of Mount St. Mary's University, near Emmitsburg, MD. The University in the scenic foothills of the Blue Ridge Mountains surrounded by many unique ecosystems and habitats. It is about a one hour drive from Baltimore and Washington D.C., and 1 ½ hours from Annapolis and is located on the west side of U.S. Route 15.

Overview

The purpose is to provide high school students with an exciting yet challenging college-level experience in environmental science. Students will learn about Watershed Ecology through hands-on experimentation. Students will perform field measurements and laboratory analyses, design and conduct their own independent research projects and present their results at a mini-symposium. Students are mentored in a small-class atmosphere by a University Professor.

Facilities and Environs

The program takes place in the recently renovated Coad Science Building on MSMU's beautiful 1,400-acre campus. Students will take several field trips to nearby natural areas such as Catoctin State Park and the Monocacy River.

Enrollment and Credits

To qualify for this program, students will need a minimum 3.0 G.P.A. in their high school work. Students will receive 2 college credits upon successful completion of the MASE Watershed Ecology course (with a grade of D- or above).

General Information

Date: July 20- 31, 2009 (excluding the weekend of July 25-26).

To Register: Use the application in this brochure.

Instructor: The instructor is **Dr. Jeffrey A. Simmons**, an associate professor of Environmental Science at MSMU. He has 13 years of experience in Higher Education and is the author of 15 publications in the area of ecology and environmental science education. Contact Dr. Simmons with any questions.

Overnight Accommodations: Students have the opportunity to stay overnight in air-conditioned University housing, Monday-Thursday evenings each week of the course. Students are required to go home on the weekend – from 5:00 pm Friday July 24th through 9:00 am Monday July 27th). Students staying overnight will eat in the University cafeteria. Cost for room and board is \$300/week (\$600 total). Students are supervised in the residence halls overnight by MASE counselors. Students will have homework in the evenings as well as some organized social activities (swimming, movies, volleyball, etc.).

It is the policy of Mount St. Mary's University to comply with the provisions of the Americans and Disabilities Act in making its programs and facilities accessible. If you need special provisions made, please contact the MASE director at 301-447-5820 X4863.
