

## **Residence Life Committee**

**2007-2008 Chairs: Brie Accardi ('09) and Matt Cech ('10)**

**Description:** The Residence Life Committee is supposed to be the liaison between the students and residence life

**Primary Contacts:** Dean of Students, Mike Post

### **2007-2008 Goals and Accomplishments:**

*Renovation Committee:* meetings were scheduled with Dean Post several times during the semester to discuss layouts of the new Terrace, proposed Residence Hall business that will supply students with linens, toiletries, and other dorm accessories, and also worked on ideas for the spaces that will open up in the current underground. Advice was given to Dean Post on the new bathroom layouts, and the underground space

Vending machines Mount Card accessibility. Housing event (students who did not have enough members in their group were able to get together at the Cafe and combined groups). Obtained pricing on more recycling containers. Addressed concerns about water pressure in the residence halls. Increased recognition for cleaning staff as well as looked into water filtration in the dormitories.

**Advice from Prior Chairs:** Keep ears/eyes open for problems that the students are facing with Residence Life issues and develop surveys to poll the student body as a whole.

**Executive Board Goals for the 2008-2009 Residence Life Committee:** Keep the SGA informed about the progress of the Terrace Renovations and work with Katherine Chronister and Amanda Blaugher on preparations for the Women's Center.
