- **Information Technology** – Answers to questions about wireless in the Apartments wireless – The recent delays with wireless installations are due to having to order more parts than originally thought. Wireless will be totally up, hopefully in January for the towers and renovated Dubois. The recent outages were due to hardware and software failure over break, and Verizon had another major outage in this area of Maryland so there is nothing the Mount can really do, but thank you for understanding!
- **Mount Spirit** – Homecoming planning is underway, Mu Sigma Mu t-shirts are in the works. The committee talked to Mike Hardisky and Joe Knorr and is continuing the conversation about purchasing mock athletic jerseys to sell in the bookstore.
- **Public Safety – no submission**
- **Publicity** – The committee is working with the Juniors on last minute publicity for Mr. Mount and with Community Outreach on publicizing for Casino Night next semester.
- **Recreational Services – no submission**

- **Class of 2011 – no submission**
- **Class of 2010 – no submission**
- **Class of 2009** – Fells Point was amazing, hope everyone had fun! Class t-shirts are still on sale, email the senior class account or see a class officer to purchase one!

- **Executive Board** – end of semester meetings will begin this week and continue into next, please watch your email and come to your meeting with ideas for next semester and be ready to evaluate this semester.
- **SGA Advisor** – Please be responsible at Christmas Dance! Volunteers may be needed to collect tickets, CAB will send an email tomorrow. Couples tickets cannot be purchased at the door because it gives incentive to buy tickets beforehand so the door can run more smoothly on Friday night. Finals advice – sleep!!! all nighters make you worthless, get at least 3 hours which is the minimum your brain needs to function. Drink lots of liquids, but not the fermented kind or caffeine! Water is best! You will perform better, honestly! So study and do well so you can keep your GPA and stay in SGA!

Vending machines at the Apartments – is the cost to my MountCard account really \$2.00?

The machine does not actually charge \$2, that is the maximum you can spend at any vending machine on campus, but you can track your account online to see what your purchases really cost!

Saturday – Sandwich Saturday with Blankets for Educators for Social Justice and Melissa Main, please come out and help make blankets for the pregnancy center in Emmitsburg and sandwiches for the homeless at 10am on the 6th!

Saturday the 6th at 2pm at St. Catherine's in Emmitsburg there will be a Christmas party and Melissa Main is still looking for volunteers!

There is confusion about the Housing Lottery, but Jen Lenfant will be at our meeting on December 9th to discuss any concerns and answer any questions you have about the Lottery system and changes that have been made this year!

At other schools there is a map displayed somewhere for those who needed transportation if their home is far away, so they can connect with someone who will be traveling close to them and catch a ride. The Mount has something similar, a Rideshare Board, that students can access on the network. Sean will send out the link so everyone is aware!
