Public Safety Meeting February 16, 2007

~Introductions, Vince DeCerchio, Andrea Padamonsky, Alex Schupp

~Discussed approving AC Proposal to change times for locking the 3rd and 1st floor according to proposal sheet.

- \*He signed it, but needs to check with Diane Kelly

- \*Mentions that he would like for it to close earlier than 2 am on Saturdays to avoid possible vandalism due to drunks and visitors, etc.

- \*will get back to us by Monday, but he is indeed in full support of giving student's more places to study

~Talked about how university policy on ambulances is that you can call them yourselves if you want and know it's an emergency, but PS would appreciate if you called them then afterwards to let them know

~Discussed possibility of shuttle service Freshman were asking about.

- \*says he was in favor of a Tram system, but that was not passed, problems with staffing, etc.

- \*will check into it again

~Mentioned how sidewalks and such are terrible since the snowstorm, recovery is not very good.

- \*he agrees and mentions he's been getting emails about it

- \*he brought up how it has to do with physical plant staffing

- \* he is working on that, he also called Mike Post while we were there to alert them of more student concerns

~agreed to meet again on Wed.Feb.28 at 9 am
