Dear Dr. Powell,

The faculty, staff and students of Albright College send our greetings and congratulations to Mount St. Mary's University on the occasion of your Bicentennial celebration in 2008.

It is truly an extraordinary accomplishment for an institution of higher learning to have served its students and the nation for 200 years. The University has been a part of the very growth of the United States, teaching generations of students who have passed through your doors to live as educated and virtuous citizens.

We salute the University's dedication to the humane arts and sciences, your long history of educating leaders, and your devotion to discovery, community and social justice.

Congratulations on this momentous anniversary. We are delighted that the name of Albright College will be engraved on a brick in the Bicentennial walkway.

May Mount St. Mary's University continue to thrive and grow for the next 200 years!

Sincerely yours,
