Thomas H. Powell
President
Mount St. Mary's University
16300 Old Emmitsburg Road
Emmitsburg, Maryland 21727

Dear President Powell:

On behalf of the entire Coastal Carolina University community, I pass on good wishes for your bicentennial celebrations. In the dynamic times between its founding during the presidency of Thomas Jefferson and the present, Mount St. Mary's University has distinctly met its mission to "enable individuals to understand and to challenge or embrace the cultural forces operating on them."

I congratulate the past and the promise of Mount St. Mary's University.

Sincerely,

A handwritten signature in black ink that reads "Ronald R. Ingle". The signature is fluid and cursive, with the first name being the most prominent.
