Dear President Powell,

On behalf of President Bollinger, allow me to congratulate you and the St. Mary's community on the occasion of your Bicentennial.

Unfortunately, due to President Bollinger's extremely busy schedule, both on and off campus in the coming months, he will not be able to participate in the events commemorating the Bicentennial of St. Mary's University. Please be assured, however, that he wishes you much success with all the upcoming commemorative events.

Sincerely,

Yaakov Sullivan
Office of the President
