Dear Dr. Powell:

Congratulations to all of our colleagues and friends at Mount St. Mary's University on the achievement of your Bicentennial year! Not only have you been one of the first of the Catholic colleges in the United States, but you have provided leadership among us as well. Your strong dedication to the Catholic tradition and values, your remarkable academic programs, and your excellent faculty and staff are well known throughout the higher education community.

Please enjoy your celebration and know that in spirit and prayer we commemorate and celebrate with you.

Sincerely,
