Dear Mr. Powell,

Delta State University extends congratulations to Mount St. Mary's University upon its bicentennial celebration. This is indeed an important milestone for your university, and we are excited to share this occasion with you. We wish you the best as you begin your year-long and nationwide celebration.

Delta State is privileged to be a part of the Bicentennial walkway. It is a special honor to be included in such an historical salute to the larger academic community and at one of the oldest universities in our nation.

Congratulations and best wishes.

Sincerely,
